Privacy Policy

This website (PAPAH) was created for the Education & Innovation course project as part of the European School of Physiotherapy program at the Amsterdam University of Applied Sciences (see Disclaimer at the bottom of the document).

At PAPAH, accessible from https://younesboubbou.github.io/PAP-VS-CODE-/, one of our main priorities is the privacy of our visitors. This Privacy Policy document contains types of information that is collected and recorded by PAPAH and how we use it.
If you have additional questions or require more information about our Privacy Policy, do not hesitate to contact us.
This Privacy Policy applies only to our online activities and is valid for visitors to our website with regards to the information that they shared and/or collect on the PAPAH website. This policy is not applicable to any information collected offline or via channels other than this website. Our Privacy Policy was created with the help of the Free Privacy Policy Generator.

Consent

By using our website - hosted via Github you hereby consent to our Privacy Policy and agree to its terms.

Platforms

Our website was built with VS code. The website's code is stored and hosted on https://www.github.com which is fully compliant with GPDR according to their privacy policy: https://docs.github.com/en/site-policy/privacy-policies/github-general-privacy-statement Furthermore, inside our website we have embedded third party content via the following platforms:

- Youtube
- Jotform

Information we collect

The personal information that you are asked to provide, and the reasons why you are asked to provide it, will be made clear to you at the point we ask you to provide your personal information.
If you contact us directly, we may receive additional information about you such as your name, email address, phone number, the contents of the message and/or attachments you may send us, and any other information you may choose to provide.

The website offers the possibility to create patient profiles which ask for

How we use your information

We use the information we collect in various ways, including to:

- Provide, operate, and maintain our website
- Improve, personalize, and expand our website
- Understand and analyze how you use our website
- Develop new products, services, features, and functionality
- Find and prevent fraud

We collect only the information needed for the purpose of the project.
We do not sell your personal data.
If a name or email address is requested anywhere on this site, for example through a contact form, it is used only to reply to that person or manage the E&I project, never for marketing and never shared with third parties.

Where we collect your information

In our website, we collect your information via the following methods:

- Log Files
- Cookies and Web Beacons
- Interactive Form (Jotform)

Each of the methods listed above, are explained in more detail below

Log Files

PAPAH follows a standard procedure of using log files, according to the policy of Github.
These files log visitors when they visit websites. All hosting companies do this and a part of hosting services' analytics. The information collected by log files include internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks. These are not linked to any information that is personally identifiable. The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information.

Cookies

Our website does not currently use cookies.

Advertising Partners Privacy Policies

Via Github you consult this list to find the Privacy Policy for each of the advertising partners.
Third-party ad servers or ad networks uses technologies like cookies, JavaScript, or Web Beacons that are used in their respective advertisements and links that appear on PAPAH, which are sent directly to users' browser. They automatically receive your IP address when this occurs. These technologies are used to measure the effectiveness of their advertising campaigns and/or to personalize the advertising content that you see on websites that you visit.
Note that PAPAH has no access to or control over these cookies that are used by third-party advertisers.

Third Party Privacy Policies

The PAPAH Privacy Policy does not apply to other advertisers or websites. Thus, we are advising you to consult the respective Privacy Policies of these third-party ad servers for more detailed information. It may include their practices and instructions about how to opt-out of certain options.

You can choose to disable cookies through your individual browser options. To know more detailed information about cookie management with specific web browsers, it can be found at the browsers' respective websites.

GDPR Data Protection Rights

We would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

- The right to access – You have the right to request copies of your personal data. We may charge you a small fee for this service.
- The right to rectification – You have the right to request that we correct any information you believe is inaccurate. You also have the right to request that we complete the information you believe is incomplete.
- The right to erasure – You have the right to request that we erase your personal data, simply by contacting us (see Contact details).
- The right to restrict processing – You have the right to request that we restrict the processing of your personal data, under certain conditions.
- The right to object to processing – You have the right to object to our processing of your personal data, under certain conditions.
- The right to data portability – You have the right to request that we transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us.

Disclaimer

This privacy policy is generated and used for the sole purpose of the student assignment that is a mandatory part of the course “Education and Innovation” of the European School of Physiotherapy. The template provided to all students is based on the Free Privacy Policy Generator template yet customized to the purpose of the assignment. This privacy policy is therefore only applicable to all websites and apps within the scope of that assignment. In case the website or app is used as a product in the “Professional Assignment Project”, a future business or other situation outside of the education, these terms need to be specified and customized to that specific purpose.
